About This Wiki

This wiki is the operations and personnel documentation for a fictional company called **Elion Global** (EG). This documentation is comprised of at least 2 text-based creative writing games, and maybe more, that players may undertake to flesh out the world of EG. There's a Nomic which guides the general operation of this site and of the company. Also, there's a glossary / encyclopedia that allows our players employees to fill the backstory of the company and it's founders.

We're shooting for a creepy-pasta, mystery-box, liminal space and Severance meets boring generic corporate America feeling.
